- Feedback is essential; please email [tennis@cowicklowltc.com](mailto:tennis@cowicklowltc.com) should you have any suggestions of improvement.
- Junior Members eligible will have equal rights with Senior Members when playing in this tournament against a Senior Member. If two Junior Members are in the same box then the match between the two juniors must be played under normal junior rights i.e. the match cannot be played after 6pm Monday – Friday.
- Players will be allocated their placing in the boxes by the Tennis Committee.
- Box groups generally will consist of either 4 or 5 players depending on the number of entries.
- Players will supply their own balls and light tokens.
- All games **must** be played within an hour time frame. If played under lights two lights tokens maximum (One from each player).
- Walkovers are **not** permitted.
- In the case of injury, where that player cannot complete the remaining fixtures, that players result's to that point in the box are scratched.
- Relegation and promotion will occur between boxes. However, this cannot be detailed at this stage as it will depend upon the numbers of new players in this tournament and what standard those new players are. Ideally, in a box of five players, two up two down.
- The winner of each box will be awarded a prize.

## BOX SINGLES GAME PLAY

- Each match consists of the playing of 12 games and then a tie-break. The tie-break is always played no matter what the score is after playing the 12 games i.e. the tie break is played at 12-0 or 11-1 or 10-2 or 9-3 or 8-4 or 7-5 or 6-6.
- A player is awarded one point for every game won of the first 12. The winner of the tie break is awarded a bonus point. (**2 points for a tie-break win**). The maximum accumulated score of both players is 14 points. Possible final scores when all games and the tie-break are played can be 14-0 or 12-2 or 11-3 or 10-4 or 9-5 or 8-6 or 7-7
- At the completion of the box games the player with the most points wins. If there is a tie between two players, points against decides, if level after that, the head to head decides.
- If the lights go out or you are asked to vacate the court if your time is up, the score at that point counts. If this happens during the tie-break, the score before the tie-break counts. Therefore "Keep knock-up's to the bear minimum"
- If a player has to retire during a match due to injury, illness or other exceptional circumstance. The game score at that stage is entered on the score sheet e.g. 6-4 "Player A Retired". If Player A cannot complete the other matches in the box their results to date in that box are scratched. If Player A completes the other matches or this match is their last match. Player B is awarded the remaining games. The tie-break bonus point is not counted in this case. e.g. Player A was winning 6-4. Player A had to retire. The score registered will be Player A **(6)** Player B **(7)**
