## Welcome

Welcome to the first edition of our CWLTC Senior Newsletter. Now that summer is on the horizon, we thought it was time to keep you up to date on what tennis and social events are coming up over the Summer months.

We have whatsapp groups for players of every level. Just contact Jane, Wouter, Alan or any member of the tennis committee to get your name in a group and get playing some new players.

## Indoor Tennis

As you know we have applied for a grant for a temporary winter dome. We hope to hear the outcome in June. If successful we'll hold an open meeting for all members.

## Open Week

The Ever Famous Open Week takes place this year from 5<sup>th</sup> -12<sup>th</sup> August. Players have travelled far and wide to play this event or to just eat one of Joe's burgers! For more information contact Bernie Flynn on 0879430586

## Club Championship

The most important event of the year will take place a little earlier. This year the Championships will run from 20<sup>th</sup> August – 9<sup>th</sup> September. We have moved the date to avoid clashing with Senior Leagues and Greystones Open. Another change to the Open this year will be a dinner dance and awards night on the evening of the finals. More information to follow

## Tennis Ladder

Singles ladders are back up and running. If you haven't already joined sign up now by contacting Jane Sharpe.
