

Court Booking Rules:

1. When booking a court, ALL players must be named on the court booking (i.e. two players for singles and four players for doubles)
2. It is not permitted for members to book a court under someone else's name (for example, parents should not book a court under their child's name if they intend to use the court themselves). Similarly, when parents book courts for their children, they should do so with their children's names NOT their own name(s).
3. Players are not permitted to book consecutive hours or more than 1 hour during peak times (6pm – 9pm Monday to Friday and Sunday before noon) and should not book/use a booking in somebody else's name to facilitate this. Players are allowed to continue their match for another hour where courts are free.
4. Guest players must be accompanied by a member. The guest booking option is available outside of peak hours. A guest may not use the club more than once a month. Guest green fees must be paid prior to playing. For more information on guests please see our website *MEMBERSHIP > Guest and Greens Fees*. <https://www.cowicklowltc.com/guests-and-green-fees/>
